### Job Description

Full line Canon Copier dealership is seeking outside sales professionals for new territories in Stuart, and Okeechobee. Company is equipment sales and service provider for Canon Digital Copiers, Scanners, Printers, and Document Management Software. Company is also commercial sales and support provider for computer hardware, software, and networking support. Benefits include Medical, Dental, and 401K, along with Vacation and Sick days. Weekday hours only from 8 – 5, no nights or weekends. We are seeking outside sales professionals in office equipment, telecommunications, or other like industries, but will train the right candidate if new to outside sales. Ideal candidates must be able to work unsupervised in assigned territory, be accountable for time and generating business, and have good computer skills with a basic understanding of computer technology. Company will provide training on all equipment and services that are offered. Competitive base salary and commission plan.

Light Source Business Systems has been an established business on the Treasure Coast for over 15 years in the office equipment and supply industry. Company is owned and managed locally, and very involved with the Chamber of Commerce. We are very customer service oriented and looking for sales professionals who want to work in an environment with unlimited earning potential, and the opportunity to run a territory like it was their own company.
